### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The allowability of independent claim 13 resides in the overall structure of the device as recited in the claim and at least in part because claim recites: "at least one tapered surface". The aforementioned limitations in combination with all remaining limitations of claim 13 are believed to render the claim and claims 9-11 dependent therefrom patentable over the art of record.

Reasons for allowance of remaining pending claims 1-7 have been presented earlier in paragraph 6 of the outstanding final Office action mailed on 03/29/04.

None of the references cited during prosecution of the instant application taken alone or in combination, is believed to render the present invention unpatentable as claimed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
